

## **Are you having an issue getting emails from GWWI?**

- Check your spam and junk folders
- In order to avoid emails being blocked or quarantined from GWWI or the GWWI website, please add our email domain and sending mail sever IP addresses to your Safe Senders List / Whitelists / Allowed List in your email filters. You may need to provide this information to your IT Administrator(s) as well.
  - Our email domain: gwwi.org
  - Our primary sending server: safemail.safenbox.com
  - Our sending email IP addresses that should be added: GWWI IP: 199.16.178.144
- Some of our emails including our Course Evaluation Survey come through our Constant Contact email software so please be sure you subscribed in order to receive all emails.
